HOW IT ALL WORKS

Each of your guests will receive a food voucher at the start of the event which we will supply. We'll work with you to determine a 2-hour window during which the Pub Truck will be open. During this time, guests can visit the Pb Truck to order their meals. All meals will be served in takeaway boxes from the menu you've pre-selected. It's a super easy and casual way for everyone to mingle! Minimum spend on food truck is $600 = this is included in the $1500 exclusive use minimum spend to hire the Mountain Shed
